PROFESSIONAL SUMMARY

Multidisciplinary designer specializing in UX/UI, graphic design, illustration, motion graphics, and 3D modeling. Combines creative problem-solving and user-centered design with an extensive technical background in IT, networking, and digital technologies.

WORK EXPERIENCE

Tree Water Studio
Owner, Graphic Designer & Illustrator
March 2023 – Present

Create original illustrations, logos, and brand visuals for freelance clients using Procreate, Illustrator, and Photoshop. Designed and modeled a commissioned 3D duck mascot for Wagbit LLC using Nomad Sculpt and Blender; create website and portfolio visuals.

Wagbit LLC
Creative Manager & Graphic Designer
May 2019 – Present

Develop social media graphics and promotional content; collaborate on logos and cohesive brand visuals. Edit drone footage and produce video advertisements for small businesses and churches.

Copeland Alternator & Starter
Digital Manager
August 2006 – March 2026

Directed website content updates and social media communications, maintaining a consistent digital presence and brand presentation.

Click Computers Inc.
Computer Support Specialist
October 2015 – October 2022

Resolved hardware, software, and networking issues through computer repair, diagnostics, and remote technical support. Designed a company brochure and managed the business's Facebook page alongside technical support responsibilities.

Insite Support Services
Second-Level Internet Support Representative / Night Manager
June 2004 – October 2015

Resolved complex technical issues involving networks, hardware, software, connectivity, and specialized client services. Supervised overnight technicians and handled escalations during a four-month Night Manager assignment while continuing second-level support responsibilities.
